## **Synopsis**

Brody Valentine here, and this is the story of the craziest day of school I've ever had. What started as a normal homeroom ended with me as the school's most wanted kid. See, the science class was digging up a time capsule from 1999, but it went missing and for some reason I've been branded as the thief! Every hall monitor in the school is searching for me, and nobody believes me when I say I was framed. Now the only way I can clear my name is to find the real thief behind the stolen time capsule, but it seems the deeper I dig for answers, the dirtier the truth gets. *Secret Agent 6th Grader 2: Ice Cold Suckerpunch* is a thrilling mystery that's entertaining for children ages 9-12, middle school students, and adults (who never grew up).
