Customer Reviews

I lived in the Seattle area and learned about the Alaska-Yukon-Pacific Exposition on a field trip with my son, and now live near San Francisco where we have explored architectural remnants of the Pan-Pacific Exposition of 1915. To read a story that touches on both of these places and happenings was a surprise! To read the experiences of Ida - from her impressions of seeing the natural beauty surrounding Seattle to the challenges of her life in Beckham to those of a mail-order bride - was engaging right from the beginning. I don't think one has to have been to the places to enjoy the read. Cissie Patterson has done a fine job of capturing the feelings and reactions one has

upon first glimpsing the Pacific Northwest, and weaves a good story with an unexpected manner of resolution. I am looking forward to reading more by this newly published author!

I am so excited to see another Brides of Beckham story, and Cissie Patterson has done a great job of bringing Ida's story to life. Ida, sister of Elizabeth the woman who took over for Harriet in the mail order business in Beckham, Massachusetts, find herself fleeing from her fiancee Stefan. He has become abusive and controlling, and she must leave her home town immediately. She gets Elizabeth to help her find a future husband, Harriet's son Simon in Seattle, Washington, a man who lost his fiancee three years ago in the San Francisco earthquake and subsequent fires. These two tortured souls find comfort in each other, until strange things begin happening in their home.....and Stefan is seen in Seattle. The characters are very interesting, and the story is well told. I look forward to future stories from Cissie Patterson.

This book was a "could not put down" read for me! Considering this is the author's first book and it being part of Kirsten Osbourne's BECKHAM SERIES, I am pleased to say that it was an intriguing and heartwarming story. I laughed, cried, cheered and feared while reading this book. Cissie Patterson has a winner of a Book!
