# The Legends Of Camber Of Culdi Trilogy: Camber Of Culdi, Saint Camber, And Camber The Heretic

## Synopsis

Three fantasy novels of intrigue, betrayal, and magic in medieval Gwynedd by the New York Times bestselling author of the Deryni series – a bonus story also included. **Camber of Culdi:** Long before Camber was revered as a saint, he was a Deryni noble, one of the most respected of the magical race whose arcane skills set them apart from ordinary humans in the kingdom of Gwynedd. Now, the land suffers under the tyranny of King Imre, whose savage oppression of the human population weighs heavily on Camber's heart – a heart that is about to be shattered by a tragic loss that will lead him to confront the usurpers whose dark magic haunts the realm. **Â Saint Camber:** The yoke of tyranny has finally been lifted in Gwynedd, but Camber's job remains unfinished. The dangerous remnants of a conquered enemy still mass at the borders, and the new ruler is desperately unhappy wearing the crown. With the stability of a fragile kingdom at stake, its greatest champion must make the ultimate sacrifice: Camber of Culdi must cease to exist. **Â Camber the Heretic:** The king's heir is a mere boy of twelve, and the malevolent regents who will rule until young Alroy comes of age are determined to eliminate all Deryni. Suddenly, the future of Gwynedd hangs in the balance, and Camber – once adored as a saint, but now reviled as a heretic – must find a way to protect his people before everything and everyone he loves is destroyed in the all-consuming flames of intolerance and hate. **Â** Filled with mysticism and magic, these sagas reminds us that "Kurtz's love of history lets her do things with her characters and their world that no non-historian could hope to do" (Chicago Sun-Times).

## Customer Reviews

I have read this trilogie and all the following when they first came out in Germany over 40 yrs. ago. bought th whole series in english 25 yrs.Now I am listening to the books on my kindle and still love the story the characters everything about it. It is so well written. thank you Katherine Kurtz for creating this everlasting series.

I bought this to re-read the series. I hadn't read them in more than 20 years and, sadly, they haven't held up very well. It's somewhat slow and not as complex as what I read today. They were great when I had a less developed "palate" for fantasy but now that I know there is something better out there, they just don't hold my attention.

Prequel series to the Chronicles of the Deryni that explains how the Deryni kings were removed from power and the Haldanes were restored. A must read for fans of medieval history and epic fantasy.

It was great trilogy. I had already read The harrowing of Gwynedd, King Javen's Year and The Bastard Prince. All awesome books. I will try to read them all.

A bargain.....from ! This is a well written, fast moving fantasy trilogy. Very enjoyable. And at \$1.33 per book....it is a great deal.

Not enough story to sustain the many books. It could have been condensed and given more meat!

Great book! sympathetic characters, quickly moving plot. Only downside was many unresolved plot lines. Hopefully more books extrapolating on those are forthcoming

I liked it a lot.
