Collins Easy Learning German – Easy Learning German Verbs

Synopsis

The main section of the book consists of 200 fully conjugated verbs, regular and irregular, weak and strong. Each is self-contained in a full-page spread showing all the major tenses, clearly set out with pronouns. The tables also tell you if the verb is weak or strong and if it takes the auxiliary "haben" or "sein." New German spellings are included throughout. There is a special section on modal and auxiliary verbs, as well as an extensive introduction on the formation and use of tenses in German. A full alphabetical index of all the most widely used German verbs, cross-refers the user to its basic model in the verb tables.
