Customer Reviews

I was absolutely overjoyed with the contents of this beautiful book. Page after page of wonderful, delightful illustrations for your very dear friend to color. I was eager to give this to my friend. Each page has a quote that, in conjunction with all the quotes in the book, sums up the meaning of friendship and the character of a true friend. My friend was delighted to receive this. I highly recommend it.

Adult coloring books....this one is awesome! For real, does it get any BETTER!!!! I bought this one for my sister in law for her 30th birthday (which is just a funny gift to give someone on their 30th right?)!

swear, we colored all night long! it was a crazy Saturday night!

Great gift for a friends birthday. The pictures are beautiful, and the paper is high quality.

Bought 4 books for friends and they love them.

gave several of these as gifts

Illustrations are beautiful, but the pages are very thin making it possible for bleed through unless you remove the pages first but this book did not have those type pages for easy tear out.

My son bought this for Grandmas Birthday and she loved it! It has inspirational quotes in it as well and that was a special touch.

A gift for my daughters friend. It was nice but I was expecting a little better pages for coloring.
