Customer Reviews

A+

Made of awesome. Would purchase from this seller again.

Any RPG book published by Chaosium is almost guaranteed to be high quality. The perfect binding they use is one of the most durable softcover bindings out there, and they seem to last forever. This book is no exception. Sandy Petersen is one of role playing's icons, and Call of Cthulhu is a cut above the standard D&D RPG. If you play CoC, you should love this setting.
