Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad

range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

I got this book for \$2.50! I thought for sure it had major flaws, missing pages, etc. Something had to be wrong for getting a list price book of \$16.99 for \$2.50. I was wrong. This is a fantastic book for beginners or someone just looking for new juicing recipes. Easy to read and very great pictures. It has a beautiful cover and is wonderfully presented. Would make a great gift with a nutribullet or new blender. Can't beat it for the price.

I am very pleased with the purchase of this book. I have discovered that 99% of the recipes contained therein are concoctions I will not hesitate to make using my Nutribullet. The recipes are so simplistic as well as effective, and I enjoy exploring the many possibilities on the road to reclaiming my health. This book is a must for juicers.

Excellent easy recipes to follow. Has a lot of different recipes to drink throughout the year. Veggie juice, smoothies and probiotic drinks. My book has ripped pages from 113-118. Disappointed to say the least. Not happy with quality of seller.

I bought this book for my daughter based on the reviews (thank you all). She can't wait to start juicing!

works for me

I should have bought 2 when they were less than \$3. (now 12\$.) Beautiful hard cover book. It was a gift and my friend loved it!

Item is as expected...thanks

I'm a new juicer and this book got me started!
