Customer Reviews

"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way."
— Chicago Tribune "The best option | Color photos, maps, and diagrams bring the place to life."
— The Philadelphia Inquirer

I have not yet tested this book out in Australia, but I love all of the extra historical detail and tidbits of information. This guidebook is especially great if you are looking for something other than just a list of hotels and restaurants.

I was really disappointed with the information presented. It is a big thick book, but there are more pictures than text, and descriptions are brief. Nothing goes in-depth, except the Sydney section, which is one place I am not going. The section on Tasmania was very small for such a diverse place. Not impressed.

This guide is very helpful in planning a trip and/or helping the reader to get the most out of a pre planned tour. The down side for me is it's weight. I'd like to have a guide I could travel with.

Love, love, LOVE all the Eyewitness travel books, and I have many. Good info, well organized with nice photos and especially good maps of cities and large sites (museums, historic compounds, etc.). I take them along, but they are VERY heavy. Really wish travel guide publishers would consider the traveler and aim for light-weight paper for portable guides. PLEASE!

Best book I found on travel. Gives you the most needed details up front. You don't have to search for information.

DK travel guides are always the best!

I always get the DK Eyewitness Travel Guide before I travel to any location. Great pictures and information.

It will be invaluable when I travel there in our winter which is summer there.
