Customer Reviews

Summer reading for my son. I got this just in case he needed a little help. I've looked in several times and saw him referencing this aid. So, I'd say it was worth purchasing!

UNPAID UNBIASED REVIEW, unlike other reviewers who got the item for free or at a discount and whose review might be biased, I received nothing for my truthful review which is as follows ..well worth the money very entertaining I would buy again.. [...] thank you

Just as expected.
