Customer Reviews

I RARELY write book reviews. But this one made such an impact, I hope my review will help another woman in a similar situation. Coming from a former self proclaimed stage 5 clinger.... This book actually CHANGED me. It was the slap in the face I needed to just STOP AND PUT THE PHONE DOWN. I had no sense of dignity when he broke up with me. I was only worried about satisfying my need to communicate with him, and completely forgot how HE viewed my actions. How he was judging my desperation. If you've lost common sense over someone and don't know how to step back, THIS IS THE BOOK FOR YOU. (FYI, after following this book to the letter, he came back and finally realized what he was about to throw away. MORE IMPORTANTLY, I got some self confidence back. I was able to walk away and know I could survive whether he is in my life or not.) WHETHER YOU WANT TO GET OVER HIM, GIVE HIM SPACE, OR RECLAIM YOUR SANITY---- GET THIS BOOK

Great book! Very useful information. This book make you focus on values, respect and making sure a man who cares, like or love shows he value and respect you as much or more. If not, there's someone for everyone and that someone will. Be patience, not desperate.

So far this is true. I've been ignoring Mr. EX and doing ME. Mr. EX has called but I blocked his #. He texted me as if he isConcerned about my safety.....I didn't reply. Yesterday was Valentine's Day, I got a Happy Valentine's Day text. As the bookstate no response needed and no response was granted. After reading.....this book is teaching me PATIENCE! Which I have none of. I'm starting to enjoy the chase after me and not ME chasing the guy. It's FUN BEING THE BOSS IN MY LIFE. I never realized I HAVE that much control over a MAN. THANK YOU.....THANK YOU.....THANK YOU.

Strategies work. Builds internal confidence to emotionally move forward. Even if he comes back and you have done strategies then you should not operate the same "sucker" to be back in the same situation. The book guidelines help you to be a game-changer to make the choice that is best for you rather than a choice best for him.

I was not disappointed, and would recommend to anyone who wants to be proactive about living life abundantly after their breakup!! You are awesome Leslie!!

I would recommend this book to any women that is going though or trying to decide to leave someone they love. It would give you comfort and you can get yourself back to what you use to be.

I thought I would die when I was told it was over. I then took control when I moved out & told him..." I need my space". The roles shifted while I started a new career & a new life. Now he has to prove to me he is worthy of me.

Been dealing with a breakup for 3 months now. I did apply the no contact from the beginning and now he's texting calling me and all my family. I now realized I don't want him. I now know my true value and won't settle for less. Thank you
