Carine MacKenzie's talent for retelling Bible stories has meant that children from all over the world have been given the opportunity to discover Jesus Christ for themselves. Carine's 150th book 365 Great Bible Stories was released in July 2011. She has sales of several million books and lives in Inverness, Scotland.

Bible stories are really not the best plots for children. We didn't like explaining how all the evil people were not saved. We thought the story would focus on the cute part about animals, but not so much. There has to be better out there.

Not well suited for a 2/3yr old. a higher reading level than what I was expecting. I would not recommend this for early reading

I bought these books for a 2 and 3 year old Sunday School Class. The children adore them. They are sturdy enough to handle lots of little loving hands. The text does not add embellishment to the Word of God.

This book is beautifully written and the animal pictures are adored by my 1 year old granddaughter who simply enjoys the illustrations. Board books are very easily manipulated by her little hands. She enjoys this story and wants to have it read over and over.

Great book. Children love the story

Great book for a preschool aged child. Big fan.

Baby shower gift..parents loved them

Ordered this for Christmas for 1-year-old granddaughter. I like the size, pictures, colors and wording for her age. I'm sure she will love it.
