Football Sundae

Synopsis

**** This special Kindle edition includes 2 FREE Brazen Boy novellas! ****Tanner, the hunky college football star, is home for the summer. Billy, the budding dessert chef, is about to have his hot-fudge-glazed world flipped upside-down. Get ready for the "sweetest" romance you've ever tasted. Contains: hot man-on-man action, a whole lotta southern small town sass, and ice cream. This is a "sweet & steamy" male/male romance with humor, an HEA, and NO cheating. **BONUS CONTENT:** Your special Kindle edition also comes with **TWO** complimentary male/male stories! After you read Football Sundae, you can enjoy two novellas from the Brazen Boys series: "Dog Tags" and "Slippery When Wet"

Customer Reviews

I loved this book. I was hooked from the beginning and couldn't put it down until I finished. It has everything you would want in a story set in small town Texas - big hair, gossiping mamas, feisty

grandmas, sass and the hot high school quarterback. Billy is awesomely sassy and amazing, Tanner is the hot guy with a heart of gold that we all dream of. I can't recommend this book enough. Great story really well written. Definitely one-click! You will not be disappointed.

I loved this book. If you want sweet, young male love, this is for you. It was cheesy sometimes but I could not stop smiling while reading and sometimes you need a little cheesy. The characters are believable in discovering love for each other. They are very different from each other but both perspectives are well written. Fun, hot, quick read.

This is Banner's best romance yet. I've read almost all of them. This one stands out for many reasons, and I can't wait to find out what's next. Banner writes thoughtful, beautiful, human, sexy stories, but this one is his most romantic. By that I mean I was swooning, clutching my pearls, gasping, giggling out loud, and getting watery eyes throughout. I loved these boys, and was rooting for them every second. The world that Banner creates in the fictional Spruce, Texas is so detailed, vivid, and alive. I really felt transported from my own life. There is a trend in romance novels, regardless of gender, that the more masculine/alpha male lover is less nuanced and developed than the other. That is not the case here. Tanner may start off as more of a mystery, but his feelings and journey are some of the most touching moments in the book. I enjoyed the book so much I want to buy it for a few friends while it's on sale.

The story was somewhat predictable - but in away that I wanted to to be - there were no words to say that - so I said some twists. It was a classic lesser known boy meets football star boy - over time relationship develops and they fall in love. There was some graphic sex, but sometimes it seems in these books quite gratuitous - this was necessary - I wanted to be a fly on the wall watching the relationship develop. I imagine that there are many that do develop like this - at least I hope so. Any problems I might have had, were negated by the romance of the book - I really liked it and was not sure I would - but for sure one of my very favorites - in fact I would read this again. The pastries Billy makes, BTW, sound amazing!!

This is one of those sweet "should be" books. That's how people should behave. That's how people should react. That's how towns should be. You get the picture. And honestly, that typically bores me to pieces. But Daryl created characters that have depth to them, before you meet them. He paints a town that you can visualize. And the story? The only thing it was missing was a little drama and

maybe a little angst. There are some surprises. There are a lot of laughs. I loved it. And I don't like books like this. Available on KU, where I first started reading it. But, if you love it as much as I do, buy a copy.

I loved this book! Football Sundae is like a breath of fresh air. Smoldering and sensual but also a sweet romance. Billy is a vulnerable hero and doesn't want to let his guard down. Tanner and Billy's story develops over time through the book, so it progresses the way love should. This is the first time I've read a M/M romance and don't know why I haven't tried one sooner. This is a great author to try if you have not done so. I've already purchased several more for my kindle which I can't wait to read.

This certainly wasn't the most well-written book I've ever read and it had plenty of flaws, but the romance was sweet and the characters were earnest and realistic, each incredibly flawed, but aware of their own shortcomings as well of the limits of their companions (in, like, a forgiving, observant way as opposed to a critical way). Best of all, though, this book is funny. I'm talking laugh-out-loud, shocks-you-into-guffawing-in-a-public-place-so-you-have-to-quickly-close-your-kindle-to-stop-the-young-mother-sitting-beside-you-from-reading-the-page-you're-on funny. I have rarely, if ever, come across a book that made me sincerely, loudly laugh as hard as this book made me laugh. Most authors that go for this brand of humor end up with ludicrously stupid scenarios that try too hard to be funny and completely miss the mark in the process; Daryl Banner writes those scenes with comic precision, producing honestly funny scenes that capture those real-life moments when things go wrong in a realistically unbelievable way, horrifying and humoring all involved as they reel at the unfortunate improbability of all the myriad ways in which things went once-in-a-million, perfectly wrong. The humor builds and builds, keeping the laughs going for much longer than is strictly comfortable if you're within ear-shot of another human being. It's great. If you're looking for an earnest, pure, belly-up laugh that just makes you feel good and happy, this is probably the very best book I've ever read to fill that order. And, you also get a sweet, satisfying romance with a fun plot, great sex scenes, and lovable characters. It's got it's flaws, but this heartfelt book will make you feel good, body and soul, so give it a whirl - but maybe not in public. (Seriously, I got some pretty funny looks for my bellowing laughter on more than one occasion. Be warned.)
