# Cool Shops Milan

## Synopsis

One of a new series of authoritative guides teNeues is introducing this season, Cool Shops Milan takes the reader on a tour of the best stores and boutiques in this dynamic, fashion-conscious city. While there are several famous shops included in this selection (Emilio Pucci, Paul Smith, Jimmy Choo), each is distinguished by more than the items or products it sells. The editors also highlight exemplary architecture and interior design with lavish colour photographs and emphasize as well the appeal of smaller, one-of-a-kind shops. Attractively designed to fit into any handbag, backpack, or briefcase, this book includes a site map for easy use and is sure to be a must-have for shopaholics everywhere!
