Customer Reviews

This edition was not as easy to use and informative as the guide for other countries. We wanted to go to Auschwitz and there was no address provided for the GPS. Instead it suggested a day trip from Krakow. Poland is the size of Germany and there is so much to see. Price indications and the Principal sights helped. We found Poland inexpensive and enjoyed it very much in spite of the language barrier - - new one for us since English or German works in most of Europe.
